Leave application for 5 days

I am writing to request you for a five-day leave from 4th February 2022 to 8th February 2022 as I have to urgently attend a medical emergency of a close relative and as he/she is situated in Delhi, I have to be away from the town for five days. I assure you I will finish all my assignments and notes on time . And score good marks in upcoming exam.02-02-2022
